## Reading a Bus Schedule

1. On the top of each timetable, look for names like “Weekday Inbound” or “Saturday Westbound” to determine which timetable to use.
2. Then look at the numbered dots, called time points, with names of places where buses stop. The listing does not include all bus stops, but buses will stop at all stops along your route.
3. Find the time points closest to where you are and where you want to go.
4. Check the column of times under your destination to find the time you want to arrive.
5. Find the time point nearest the place you want to board the bus. There will be a stop along the route within two blocks of that location — just look for your route number on the bus stop signs at each corner.
6. Then move your finger left along that line to your origin to determine your departure time. If you're not catching the bus at the time point listed, refer to the time point before your stop.

## Cómo leer el horario

1. En la parte superior de cada horario, busque los nombres tales como “Llegadas los días de la semana” o “Salida hacia el oeste los sábados” para determinar cuál horario usar.
2. Después busque los puntos numerados, con los nombres de los lugares donde paran los autobuses. La lista no incluye todas las paradas de los autobuses, pero los autobuses pararán en todas las paradas a lo largo de la ruta.
3. Encuentre el punto más cercano a donde usted está y a donde quiere ir.
4. Revise la columna de las horas según su destino para encontrar la hora a la que desea llegar.
5. Encuentre el punto numerado más cercano al lugar donde desea abordar el autobús. Habrá una parada a lo largo de la ruta dentro de dos cuadras de esa ubicación — simplemente busque el número de su ruta y los letreros de parada del autobús en cada esquina.
6. Después siga la línea hacia la izquierda de su origen para determinar su hora de salida. Si no puede tomar el autobús desde el punto numerado, refiérase al punto numerado antes de su parada.
